

PAPER COPIES OF THE AMERICAN-CANADIAN GENEALOGIST TO BE DISCONTINUED

At the September 20, 2020 Board of Directors' Meeting, it was voted to discontinue printing paper copies of our journal. This will be a phased-out process and culminates with the December 2021 edition being the last printed copy. Of course, the electronic edition will continue to be published.

If you are currently receiving the electronic edition, your Membership Dues will remain the same.

If you currently receive the printed copy, your printed copies will be phased-out based on your Membership Renewal Dates, and your Dues Renewal Prices will become the electronic rate, **a \$15 decrease**. So, if you do not have a current email address on file with our Membership Chair, please do so as soon as possible, by contacting:

Membership@acsg.org.

The following is the **Phase-Out Schedule** for different types of memberships:
